About Eargo

Eargo is a medical device company on a mission to improve hearing health. Our innovative products and go-to-market approach address the major challenges of traditional hearing aid adoption, including social stigma, accessibility and cost. We believe our Eargo hearing aids are the first virtually invisible, rechargeable, completely-in-canal, FDA-regulated, Class I or Class II exempt devices indicated to compensate for mild to moderate hearing loss. Our differentiated, consumer-first approach empowers consumers to take control of their hearing. Consumers can purchase online, at retail locations or over the phone and get personalized and convenient consultation and support from hearing professionals via phone, text, email or video chat. Eargo hearing aids are offered to consumers at approximately half the cost of competing hearing aids purchased through traditional channels in the United States.

Eargo’s sixth generation device, Eargo 6, is an FDA Class II exempt hearing device featuring Sound Adjust technology that automatically optimizes the soundscape as the user moves between environments. Eargo 6 is available for purchase here.
