1. Please clarify the extent your 2019 increase in revenue is due to higher volume versus higher average selling prices. Refer to Item 303 of Regulation S-K. In this regard, disaggregate revenue by each product offering for the periods presented. In addition, with regards to the price range of your products noted on page 104, it is our understanding that the most recent product introduced is on the higher end of the price range. If not true, please clarify the price point for each of your products.
